WEEKLY REPUBLICAN—1897.
DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., MONDAY, AUGUST 10, 1903.

UNCLE ANNER'S IDEA OF LUCK.

You think your case is tough, my boy, because you have to labor;
You growl sometimes because you can't just strike it like your neighbor,
Who's made a lot in stocks, they say, and other kind of dealin's,
And holds his head so high it seems to ruffle up your feelin's—
But still you better thank your stars, I claim you're mighty lucky.
Because the fact is that you might be livin' in Kentucky.

You set around and fret because the woman you love madly
Goes flirrin' with some other chap and likes to treat you badly;
You think of these rich folks with yachts who sail across the ocean,
Or go a-playin' golf and things whenever they're the notion;
But, though you have to work away for all you eat, you're lucky—
You might be mixed up in a feud and livin' in Kentucky.

There's many a guiltless man today shut up in some dark prison,
Who thinks the saddest fate of all in this old world is his'n,
Who weeps because they've put a stain that's shameful and that's awful,
Upon him, when he never done a thing that was unlawful.
But gladness ought to fill his heart; the fact is that he's lucky—
He might have, though he's innocent, been sentenced to Kentucky.

I'll never grumble any more or get to sadly wishin'
That fate would juggle things and bring a change in my condition;
It's pretty hard to have to work for everything you're gettin',
While others have the best there is without the toil or sweatin',
But still I guess I've got the sense to see I'm mighty lucky—
I'm not in Breathitt county, which is part of old Kentucky.

When a pack of rowdies start out, loaded with whisky and pistols, there's little matter for wonder that some man's house is raided or fired upon. It may not be denied, too, that the men who load them with the murderous combination are more or less responsible for their conduct.

Saturday night amid the rush and crush of people Mr. John Boyer of Limestone in attempting to cross Second when just opposite Hechinger's was knocked down by a horse driven by Mr. Fred Brodt. Fortunately he was not seriously hurt—receiving a cut above the eye and bruised about the body.

A fellow at a neighboring Fair under the influence, in drawing out his long green for a chew, mixed up a \$20 greenback and had it well nigh masticated before he discovered his mistake. Had he been a slight-of-hand man he might have retrieved the bill, but as he wasn't he had to stomach the loss of his greenback, although it made him pretty blue. Of course his better-half found out about the matter when he returned home, but she wasn't as hard on him as the case demanded, for she only remarked that he might as well have chewed it up as drank it down.

EDWARD J. SLATTERY.

The illness of Mr. Edward J. Slattery, which was frequently noted by THE LEDGER, terminated fatally at 6:45 yesterday morning.

During the past week or so he had been in a precarious condition, but the closing forty-eight hours gave his friends much hope, and the sad ending was a great shock to all.

Mr. Slattery was the eldest of thirteen children born to Mr. and Mrs. Patrick Slattery of near Fernleaf, and he passed his 40th birthday on the 6th of June last.

Surviving are a widow, who was Miss Mary Osborne, and a four-year-old daughter; and these, with the eight brothers and four sisters, mourn the loss of a true husband, a fond father, an affectionate brother, while Mason county has lost a faithful official and a model citizen.

For many years Mr. Slattery had been Superintendent of the County Infirmary, and it is safe to say he was the most efficient man that ever held that place. Indeed, his illness may be traced to the fidelity with which he discharged his duties and his unselfish care for the charges placed under him. During the prevalence of smallpox last winter he was wherever and whenever duty called, and it was his untiring faithfulness and overwork that undermined his health and cut him down in the very prime of his usefulness.

Mr. Slattery was a member of the A. O. U. W., and that body will probably attend the obsequies.

The funeral will take place from St. Patrick's Church at 9 o'clock tomorrow morning, with services by the Rev. Father P. M. Jones, the interment following at Washington Cemetery.

Mrs. Mollie Allen of South Fork, Ky., says she has prevented attacks of cholera morbus by taking Chamberlain's Stomach and Liver Tablets when she felt an attack coming on. Such attacks are usually caused by indigestion, and these Tablets are just what is needed to cleanse the stomach and ward off the approaching attack. Attacks of bilious colic may be prevented in the same way. For sale by J. Jas. Wood & Son, Druggists.

Mrs. L. V. Davis's Fall line of Millinery is now complete.

To Our PUBLIC

In response to repeated inquiries as to when we will move, we make the following statement:

THE NEW STORE—We hoped August 1st would mark that interesting event, but uncontrollable delays about lumber needed for changes in the interior arrangement of the store will postpone the formal opening about two weeks longer. In the meantime the store is open, with some very good bargains to invite you therein.

DOORS CLOSED—When arrangements are nearing a finish, the doors will be closed a few days for readjustment of stock, final decorations and the completion of a delightful surprise, of which more later.

DOORS OPEN—The reopening will be formally announced several days in advance and other interesting details will be given, to make the introduction of Hunt's New Store important and impressive.

THE OLD STORE—The old store will be closed as soon as all business connected with it is fully adjusted. That may be a question only of weeks and it may be much longer. We can speak with no certain voice just now. In the meantime, as long as the doors are open, at Hunt's old location you can count on buying goods cheaper than ever in its 51 years history of good goods at lowest prices.

Deafness Cannot Be Cured
By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

A Little Early to Talk About

....Fall Clothing

Yet in view of the multitude of visitors that will be with us during the Elks Fair, when it will be a little late to talk about Summer Clothing, we have arranged to have our entire stock of Fall and Winter Clothing in our house by the 15th of August. Only the productions of the best manufacturers are represented in our lines—

STEIN-BLOCH, ADLER BROS. and GARSON-MEYER,

Have become household words with good dressers, all three lines confined to us.

Whilst our 25 per cent. Discount Sale closed Saturday, August 1st, there are several lines of high grade Suits in broken sizes that we have put on our counters to sell at way below former selling prices. Take a peep at them. If you find your size you will do well to buy it.

THE HOME STORE. D. HECHINGER & CO.

At the Rate These LOW SHOES Are Moving Out,

We'll carry no summer stock over into next year. People have come to understand that when WE say prices are CUT, the reductions are GENUINE, hence some of the best bargains have been bought up, but we've replaced them with more expensive goods, and are offering the ladies such values as these:

WOMEN'S Court-Ties and Oxfords, welts and turns, in kid and ideal kid, former price \$3.50, now	\$3.00
WOMEN'S Oxfords, ideal kid, pat. leather, kid, former price \$2.50 and \$2.00, Summer Sale price	\$1.50
WOMEN'S Oxfords in button, Prince Albert, with kid and pat. tip, various heels, were \$2.50	\$2.00
A LOT OF SAMPLES in welts, turns, fine goods all styles, sizes 2 1/2 to 3 1/2, prices were \$3, \$2.50, \$2	\$1.50

BARKLEY'S!

THE BEE HIVE!

A GREAT SALE! PRICES WRECKED! MANY RESCUES!....

There was great excitement at the Bee Hive on Friday, July 31st, when our Third Annual Clearance Sale was inaugurated. There was greater excitement on Saturday, August 1st, and still greater excitement on Monday, August 3d, and greater and greater excitement as each day of this sale sailed on; but the greatest excitement is yet to come. Keep your eyes opened wide and watch this space daily. A woman with one eye can see more bargains at this store than a woman with two eyes looking elsewhere. Every counter you stand by, every aisle you walk through, shows you good, seasonable goods at wrecked prices. We believe we came to your rescue in the right time. Those who cried, "We are unable to buy a new dress," are now walking around in Dame Fashion's newest creations. Your most liberal response was our greatest flattery of this sale. This sale is good for thin purses, and not bad for thick purses.

AND WHAT DO YOU THINK OF THIS?

Men's "Royal" Negligee Shirts 59c. They are the \$1 kind.
"Royal" White Waists, your choice 98c. If we have your size we will get you 98c.
A Special in Umbrellas, 98c. and \$1.49. They are the \$1.50 and \$2.50 kind. you will be 75c in.

STILL SOME LAWNES LEFT AT 5c.
THOSE \$1.50 OXFORDS ARE REDUCED FROM \$2.25. If we can fit you,

MURRAY COMEDY COMPANY.

A big dollar show at popular prices is the verdict of the newspapers throughout the country in regard to The Murray Comedy Company which opens a week's engagement at the Washington Opera-house next Monday, Aug. 17. In addition to the high-class repertoire of plays produced by this company, they carry a car load of special scenery and their vaudeville features will entertain us with all the latest up-to-date music. River News

The gauge reads 7.9 at this point and rising.

The Tacoma is due down from Pomeroy tonight.

The Henry M. Stanley will pass up tonight for Pomeroy.

The Sunshine has gone to make excursion trips between Cannelton and New Albany.

Captain James D. Parker of Cincinnati, the veteran steamboat man, whose life was despaired of for the past several months, has so far recovered that he was able to be out.

Owing to the dirt and dust which are accumulating on the Sprague, which is lying at the foot of Broadway at Cincinnati, the boat will be sent down below Mill Creek until her repairs are completed.

Captain W. C. Lepper has returned to the desk of the Steamer City of Cincinnati. Captain Lepper has been confined to the hospital for a period of nearly five months. He is now fully restored to health.

The trial of the officers of the Hudson and the towboat Adelle, concerning the collision of the two boats at the foot of the dyke below Coney Island a few days ago, was held before Inspectors Fearn and Dameron at Cincinnati in the Custom House. The Inspectors decided that Pilot Frank P. Moore should be suspended for thirty days because of his neglect to blow the danger signal at the proper time.

The rain up the two valleys at headquarters has been heavy and a good packet stage is probable for several days to come. No coalboat stage is expected to materialize from the present rise, but the rivermen are not worrying much over the situation. Enough coal has been shipped to Southern points during the past two months to last them until late in the fall and the Pittsburgh harbor contains very few barges.

The Evansville Courier says: "It looks like there will be no large boats in the Cincinnati and New Orleans trade the coming season, for the reason there are no suitable boats for the trade. Captain J. W. Ashby of this city, who is interested in any move that is calculated to help the river, favors organizing a stock company with sufficient capital to build and equip a line of boats. Captain Ashby thinks a line of good boats in the Cincinnati and New Orleans trade would prove a paying investment."

CURED HIS CORNS!

Raymond Rose's Remorseless Remedy Relieves Readily.

Raymond Rose of Haverhill, O.—opposite Greenup—has adopted a novel but sure cure for corns.

He took his revolver and shot off both toe and corn.

The wound is somewhat painful, but the corn will bother him no more, on that toe at least. Rose is 21 years of age and a deaf mute; but he has learned the only real cure for corns.

SUNDAY SHOOTING!

"Jinks" Stockdale Pops a "Bad Man From Flemingsburg."

The usual quiet of Market street was broken last afternoon when Jinks Stockdale opened his battery on a colored man named John Fee, who claims to be from Fleming.

It appears that Fee mistook Stockdale for Nancy Price, and this was an insult too grave to go unshot.

So, after a few words, he shot and he was shot in the hip.

After he shot and he was shot, the shot fired a rock at the shooter.

And the shot was patched up at the Doctor shop, while the shooter gave \$250 bond for his appearance in the Police Court at 2 o'clock this afternoon.

The shot was not badly shot.

Kentucky Conference, M. E. Church, South, will be held at Cynthiana, beginning September 2d. Bishop Hendrix will preside.

Not Over-Wise.

There is an old allegorical picture of a girl scared at a grasshopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against those complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by J. Jas. Wood & Son, Druggists.

Latest News

Saturday 2 persons were killed, 6 fatally injured and 125 hurt by the floor giving way at the Philadelphia National League Baseball Park.

Prominent Republicans of Texas have started an anti-Roosevelt movement, expressive of their disapproval of the President's policy on the race question.

Isham Strong, a Negro, surrendered by a mob in Texas on a promise of immediate trial on a charge of assault, pleaded guilty and was sentenced to ninety-nine years' imprisonment.

The argument was begun by the attorneys in the Jett-White case Saturday at Cynthiana. Judge B. F. French spoke for the defense and County Attorney Stanley Webster for the Commonwealth. Judge French denounced Ewen, the state's chief witness, in bitter terms, and Mr. Webster paid his respects to Judge Hargis and Sheriff Callahan in vitriolic style. Judge Lafferty will make the next speech for the defense this morning, and will be followed by Thomas Marcum for the state.

In the Powers trial at Georgetown the Commonwealth on Saturday introduced Frank Cecil, who has not heretofore testified against Powers. He told practically the same story he told at the Youtsey trial. He says Powers told him he was looking for a man to kill Goebel and practically offered him the job of assassin. When Cecil did not proffer his services, Powers took him to W. S. Taylor, who renewed the proposition and offered him \$2,500 and a pardon if he would assassinate Goebel. Several other witnesses, all of whom have appeared at former trials, were on the stand. The defense will cross-examine Cecil today. Judge Robbins ruled on the opening of Court that the state could introduce testimony of the occurrences of the days following the shooting of Goebel and to the time of his death, which were a continuation of the alleged conspiracy to prevent Goebel from being declared Governor.

Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux," (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was cured without having a doctor. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by J. Jas. Wood & Son, Druggists.

Bishop I. W. Joyce will preside over the Conference of the M. E. Church which convenes at Covington September 16th.

There'll be work in the E. A. Degree at tonight's meeting of Maysville Lodge No. 52, F. A. M., and visiting Brothers are invited.

Mr. J. B. Daniels of Charleston Bottom is the champion water-melon and cantaloupe raiser of this section, exceeding, if anything, the former reputation of that locality for the biggest, the best and the most luscious productions. Just try some of his melons and you'll be happy all day long.

The first two days of the Germantown Fair have 79 rings for sheep, swine, cattle, saddle and draft horses. Farmers who desire to make an intelligent study of best farm stock should not fail to see this instructive exhibit. On account of over \$600 in increased premiums the exhibit in these classes is expected to be the best in years.

HALL OF NATIONS.

One of the Unique Features of the Cincinnati Fall Festival.

Novelty in the arrangement of exhibition features is eagerly sought by promoters of Industrial Expositions. The Fall Festival Association of Cincinnati claims to have solved the problem of combining usefulness and beauty for display purposes, in a Hall of all Nations for the September Festival.

The floor of the great Music Hall will be arranged in a series of booths, each representing some Nation of the world—England, France, Spain, Germany, Russia, Ireland, America, etc.,—with decorations, architecture, costumes, and, so far as may be, exhibits, showing the typical products and industries of the country represented.

The merchants and business men of Cincinnati, have not been slow to appreciate the decorative advantages of the Hall of all Nations for presenting their goods and importations under the most favorable conditions. One importing house will display silks, laces and feminine trifles under the French Tri-Color; another, cotton ducks, prints and drillings, under the Stars and Stripes; the Brazilian flag will wave over a booth wherein the entire process of gathering, drying, roasting and making coffee from the berry will be carried on; the Russian booth will exhibit costly furs; the cup that cheers yet not inebriates will be brewed under the claws of the yellow dragon, guardian of the Celestial Empire; memories of the German fatherland, and of Erin, will be revived by handsomely decorated booths, maintained by patriotic societies of those countries, whose citizens have found a new home under the gracious shadow of the American Eagle. The attendants of all the displays in the Hall of all Nations will wear the costume of the country to whose booth they are attached, thus maintaining a picturesque ensemble.

WANTED.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of indigestion, dyspepsia and Liver Troubles that has not been cured; and we also mean their results, such as sour stomach, fermentation of food, habitual constiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try a 25¢ bottle first. We have never known of its failing. If so, something more serious is the matter with you. The 25¢ size has just been introduced this year. Women

Cured by the use of Kodol are received daily their troubles nearly all begin with indigestion or other stomach disorder. If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each. Kodol cures indigestion, dyspepsia and all stomach disorders.

I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me. Mrs. J. W. COOLBAUGH, Milo Center, N. Y.
